Fee Schedule

2026 - 2027 Season

The Socorro Farmers' Market charges a vendor fee for each vendor.
This helps the SFM Board pay for business licenses, SNAP, advertising, paper work, membership with the New Mexico Farmers Marketing Association (NMFMA), fuel costs, salary for the Market Manager (MM), and other supplies.

SFM is a year round market. Indoor market runs November 1 to April 30. Outdoor market runs May 1 to October 31.

Vendors have the option to pay fees on a yearly, seasonal (indoor/outdoor) or daily schedule.
Yearly and Seasonal Vendors become a Member of the Socorro Farmers' Market (SFM). All other vendors are considered Day Vendors. Non-profits are welcome at the SFM and will be considered a day vendor with a distinct fee schedule.
